Dear Store Manager,

Please consider carrying Big Shoulders Barbecue ribs and pulled pork from Farmington Foods.

Big Shoulders Barbecue makes authentic Chicago-style ribs that are smoked for hours over low heat, so the meat slowly takes on a rich, natural flavor. When you bite into Big Shoulders Barbeque ribs and pulled pork, you taste the perfect balance of tender pork and hickory smoke. Big Shoulders Barbeque tops their ribs with a savory sauce that has an ideal blend of sweetness and vinegary kick that adds a bold dimension to the flavor.

These ribs are easy to prepare. You simply have to remove them from the package and put them in the oven or on the grill for 25 minutes. They microwave in about 5 minutes. Clean-up is easy too! As a regular shopper in your store, I would really like to see you carry this delicious and easy-to-prepare food.

You can get more information on this product by calling Big Shoulders Barbeque at Farmington Foods at 708-771-3600 or sending an e-mail to: BigShouldersBarbeque@FarmingtonFoods.com.

Thank you for your consideration.
